A TIMELESS ICON: BLACKPOOL TOWER

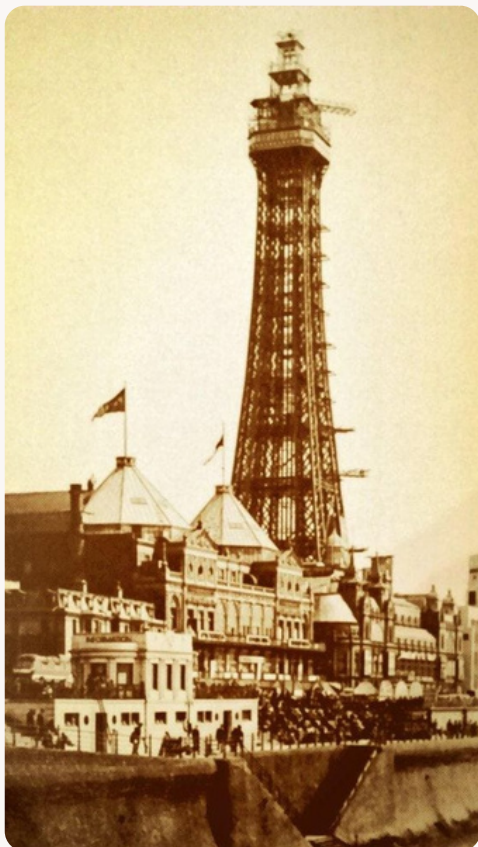

No visit to the Fylde Coast is complete without experiencing the magic of Blackpool Tower. Standing proudly on the famous promenade since 1894, this iconic landmark has been at the heart of seaside entertainment for over a century.

Inspired by the Eiffel Tower in Paris, Blackpool Tower was built during the Victorian era to bring glamour and excitement to the growing seaside resort. Over the years, it has welcomed millions of visitors and remains one of the UK's most recognisable attractions, offering breathtaking views across the coastline from its impressive height of 518 feet.

Inside, the Tower is home to a variety of attractions, including the stunning ballroom, where couples still dance beneath glittering chandeliers, and the thrilling Tower Eye, offering panoramic views stretching as far as the Lake District on a clear day.

For those looking to indulge, a traditional afternoon tea at the elegant Blackpool Tower Ballroom is a must. With the sounds of the famous Wurlitzer organ filling the room, guests can relax with a selection of freshly prepared sandwiches, cakes, and, of course, a perfectly brewed pot of tea, all served in truly historic surroundings.

Whether you're soaking up the rich history, enjoying the views, or treating yourself to a delightful afternoon tea, Blackpool Tower offers a memorable day out for all. Just a short journey from the Clifton Park Hotel, it's the perfect addition to your stay on the Fylde Coast.

DISCOVER THE GOLFING GEMS OF LYTHAM ST ANNES - STAY & PLAY

For guests who enjoy a round of golf, St Annes and Lytham are home to some of the finest courses in the UK. With stunning coastal views, championship fairways, and a rich golfing heritage, it's no wonder the area is a favourite for both casual players and seasoned golfers alike.

One of the most famous is Royal Lytham & St Annes Golf Club, a world-renowned championship course that has hosted multiple Open Championships. Known for its challenging layout and iconic bunkers, it offers a true test of skill in a beautiful setting.

For those seeking variety, Fairhaven Golf Club, dating back to 1895, shares the historic grounds of Lytham Hall and is a blend of heathland and parkland golf with links features, providing a charm like no other golfing. Known for its immaculate greens and scenic surroundings, it's a welcoming course for players of all abilities.

Just a short distance away is St. Anne's Old Links Golf Club, a traditional links course established in 1901. With its rolling fairways and coastal winds, it provides a classic links experience that golfers return to time and time again.

Another local favourite is Lytham Green Drive Golf Club, a friendly and accessible course perfect for a relaxed round while still enjoying the coastal charm of the Fylde coast.

Whether you're visiting for a golfing break or simply fancy a day on the greens, the courses around St Annes and Lytham offer something for everyone. After a day of fresh sea air and fairways, guests can return to the comfort of the Clifton Park Hotel to unwind, dine, and share stories from the course.

FOREST BATHING AT LYTHAM HALL

IMMERSE YOURSELF IN NATURE

Step away from the busyness and pressures of everyday life and immerse yourself in the calming beauty of nature.

Inspired by the Japanese practice of Shinrin-yoku (forest bathing), this guided experience invites you to slow down, breathe deeply, and reconnect with your senses through a series of gentle, mindful invitations. Rather than walking with a destination in mind, you'll be guided to simply be, noticing the sights, sounds, and rhythms of the natural world around you.

As your mind begins to quiet, your body can soften into a state of deep relaxation. Many people experience a renewed sense of clarity, presence, and connection, both to themselves and to the world around them.

You'll share this peaceful journey with a small group of like-minded individuals, allowing space for both quiet reflection and gentle connection. We'll close our time together with herbal tea and conversation, grounding the experience before returning to the day.

This experience is perfect if you're seeking a deeply restorative pause in nature, feeling overwhelmed or mentally busy, or looking to reconnect with yourself and the present moment. It's also ideal for nature lovers who are curious about the benefits of forest bathing and want to explore simple, nature-based ways to support their wellbeing.

Come as you are, the forest will do the rest. To book this guided event, visit www.lythamhall.org.uk

INSIGHTS INTO THE REFURBISHMENT FROM DESIGNER EMMA BARNES

Emma Barnes, the founder of Magna Interiors, was commissioned by owners Laura Taylor and Matthew Welbourn to redesign the bedrooms. Emma's company is based in the Midlands with 25 years of experience in designing corporate and hospitality interiors; she's in big demand.

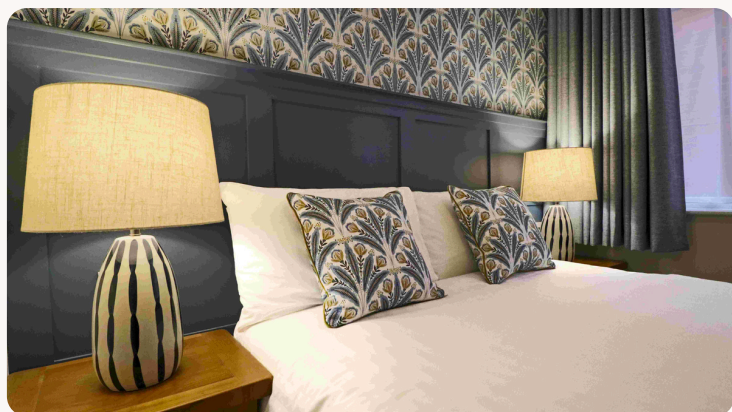

Growing up with parents who were architects, she's always been submerged in the world of design. A former fashion designer, Emma has an intrinsic feel for colour and a keen eye for detail, which is reflected in the beautiful interiors of the newly refurbished rooms. Emma fell in love with Clifton Park when she first visited and sensed it was a very special place.

Her brief from Laura and Matthew was to create a sanctuary of understated elegance. Nestled in the heart of Lytham St Anne's, she reimagined this coastal hotel as a sophisticated haven for guests who appreciate a more refined, tranquil, and uplifting interior.

The guest rooms seamlessly blend classical inspiration with bespoke modern touches. She has introduced hand-crafted panelled headboards in deep seaside blues, complemented by a light, airy palette and unique artwork that mirrors the Lytham shoreline.

To complete the look, she has selected bespoke carpets designed to perfectly complement the aesthetic of the bedroom scheme. Each bathroom has been finished to a high standard with the use of classic marble tiles, warm tone wood effect flooring and quality fittings.

We hope you enjoy the beautiful new rooms
