WHY THE CLIFTON PARK IS GOOD FOR YOUR HEALTH

At Clifton Park Hotel, wellbeing comes naturally, at a fraction of the cost of a wellness retreat-type holiday. As an adults-only hotel, we offer a calm and welcoming space where you can truly switch off, recharge and focus on yourself, all just moments from the beautiful Fylde Coast.

Fresh Air & Coastal Calm

Situated in elegant St Annes-on-the-Sea, our location makes it easy to enjoy daily seaside walks. The fresh sea air, gentle movement and soothing sound of the waves along the promenade are proven mood boosters. A simple stroll can clear the mind, ease stress and leave you feeling refreshed and revitalised.

Relax, Restore & Unwind

One of the highlights of a stay at Clifton Park is our indoor swimming pool and jacuzzi. A leisurely swim is a wonderful low-impact way to improve circulation and support overall fitness, while time spent in the jacuzzi helps soothe tired muscles and encourages deep relaxation.

Dance Breaks That Keep You Moving

Our popular dance breaks are not only great fun, they're also fantastic for your health. Dancing is a brilliant way to stay active, improve balance and coordination, and boost cardiovascular fitness. Whether you're gliding across the floor or simply enjoying the rhythm, dancing lifts the spirits as much as it strengthens the body. It's exercise in its most enjoyable form.

Nourishing Home-Cooked Food

Wellness also means eating well. Our home-cooked dishes are prepared using quality local ingredients, where possible, with an emphasis on flavour, comfort and balance. Enjoy hearty breakfasts, satisfying evening meals and a relaxed dining experience that feels both indulgent and nourishing.

Balance & Choice

We also offer a wide range of non-alcoholic drinks alongside traditional favourites, giving you the freedom to choose what suits your lifestyle. True wellbeing is about balance, enjoying life while feeling your best.

In St Annes, the calm elegance of the seaside combined with the friendliness and warmth of our hotel creates the perfect recipe for feeling good. Whether it's fresh sea air, a relaxing swim, time in the jacuzzi, joyful evenings on the dance floor or simply sharing laughter with friends, a stay at the Clifton Park is more than a getaway; it's a boost for both body and mind.

DISCOVERING FAIRHAVEN LAKE

Just along the Fylde Coast, nestled between sea and sky, lies one of Lancashire's most cherished green spaces, Fairhaven Lake. A much-loved landmark of Lytham St Annes, the lake has been a place of relaxation, recreation and community for over a century.

Fairhaven Lake was created in 1895 as part of the development of St Annes as a fashionable Victorian seaside resort. Designed to enhance the natural salt marsh landscape, it formed part of an ambitious plan to attract visitors seeking fresh sea air and genteel leisure pursuits. Its position along the scenic Fylde Coast offered sweeping views across the Ribble Estuary and towards the distant hills of North Wales.

Over the decades, the lake has evolved with the times while retaining its original charm. The iconic art-deco style café and boathouse, dating from the early 20th century, became central features, reinforcing Fairhaven's role as a social hub for both residents and holidaymakers.

Today, Fairhaven Lake remains a place where nature and community meet. The saltwater lake is home to a wide variety of birdlife, from elegant swans and ducks to migratory species that pass through the Ribble Estuary. The surrounding green spaces and coastal paths make it a peaceful setting for walking, cycling and quiet reflection.

Visitors can enjoy rowing boats and pedalos in the warmer months, while families make the most of the nearby play areas and open lawns. The coastal path also connects easily to neighbouring Lytham, making it a perfect stop on a longer seaside stroll.

Fairhaven Lake serves as a reminder of the rich heritage and beautiful outdoor spaces we are fortunate to have in our region. Whether revisiting childhood memories of feeding the ducks, enjoying a peaceful lakeside walk, or simply watching the tides shift across the estuary, Fairhaven Lake continues to be a place where generations come to pause, connect and appreciate the coastline we call home.
