WINTER GARDENS AND THE GRAND THEATRE BLACKPOOL

Just a short journey from Clifton Park, only about 15 minutes down the road, Blackpool offers something truly special for lovers of live entertainment: not one, but two outstanding theatres right on our doorstep.

The Winter Gardens and the Grand Theatre are both rich in history, character, and year-round programming that brings the arts to life. Whether you enjoy dazzling musicals, laugh-out-loud comedy, live concerts, dance performances, or family-friendly shows, there's always something happening to suit every taste and age.

The Winter Gardens is a vast and iconic venue, hosting everything from major touring productions and music events to variety shows and seasonal specials. Meanwhile, the Grand Theatre offers a more intimate and traditional theatre experience, with a beautiful auditorium and a packed schedule of drama, musicals, pantomimes, and visiting performers.

It's easy to overlook what's so close to home, but these venues provide the kind of high-quality entertainment you might expect to travel much further for. With regular performances throughout the year, they're perfect for a spontaneous evening out or a planned treat with friends and family.

So next time you're thinking about something different to do, remember that world-class entertainment is just minutes away. Why not take advantage of these fantastic local theatres and support the vibrant arts scene right here in our area?

Keep an eye on their upcoming programmes, you might just discover your next favourite show!

LYTHAM HERITAGE CENTRE

Nestled in the heart of Lytham, the Lytham Heritage Centre (Lytham Assembly Rooms, Dicconson Terrace, Lytham FY8 5JY) is a true gem for anyone interested in the rich history and character of our local area. Housed in a charming historic building, the centre offers a fascinating glimpse into Lytham's past, from its early beginnings to its development into the much-loved seaside town we know today.

Inside, visitors can explore a variety of exhibits, photographs, and artefacts that bring local stories to life. From maritime heritage and historic industries to everyday life in years gone by, there is something to capture the interest of all ages. The friendly and knowledgeable volunteers are always on hand to share insights and answer questions, making each visit both informative and welcoming.

The Heritage Centre also hosts a range of events, talks, and exhibitions throughout the year, helping to keep local history alive and engaging for the community. Whether you're a long-time resident or a first-time visitor, it's a wonderful place to discover more about the area and feel connected to its heritage.
