COUNTRYSIDE WEDDINGS

YOUR DAY, YOUR WAY

A unique setting for your special day
with spectacular views.

Forbes of Kingennie Country Resort is
10 minutes from Dundee but feels a
million miles away. At the edge of the
fishing lochs, situated right in the
countryside it makes a rather fine
backdrop for weddings.

FULL OF HISTORY

'BECOME PART OF OUR HISTORY AND
LET US BECOME A PART OF YOURS'

In 1995 Kingennie Fishings was brought to
life by farmer Mike Forbes and his wife
Gail. What began as a modest fishery with 3
self-catering lodges quickly expanded into
what you see today. The family are still very
passionate about bringing memorable
experiences and adventures to every guest
that comes through the door. The resort sits
on the Forbes family farm, Omachie, which
supplies home grown produce to the resort.

SOMETHING OLD

The old Boathouse, built in 1855 as a farmers fishing retreat, is now our Leannan Boathouse, a romantic hideaway for lovers and Honeymooners.

The Leannan Boathouse sits in a beautifully tranquil spot, right on the waters' edge where you can sit out and watch fisherman casting until dusk. Featuring two balconies the Boathouse offers beautiful views over the mature woodland and fishing ponds, a picturesque spot for your wedding photographs.

SOMETHING NEW

*Our luxury stargazing shepherd hut gives an experience
that's out of this world*

Whether you are an astronomy wizard or just looking for a comfy space to watch the world go by, you'll find a star gazing window above the bed, a log burning stove, roll top bath as well as little touches throughout the hut with a nod to outer space. Outside, you'll find your own tranquil private space to unwind in, complete with a luxury hot tub, wooden swing and a panoramic countryside view.

SOMETHING BORROWED

The beauty is in the detail

We work hand in hand with local award winning suppliers to deliver unique details and outstanding service to help marry together all of your ideas for your perfect day.

SOMETHING BLUE

Life long memories

There is no better backdrop than that of the serene blue waters at Forbes of Kingennie Country Resort. The waterside location lends itself to romantic photographs that can be treasured for years to come, whether you're sitting on one of the fishing pontoons or stepping out onto the Juliet balcony of the Leannan Boathouse.

CEREMONY BUILDING

BUDDON BURN

Our Buddon Burn Ceremony Room can hold up to 100 guests for any style of ceremony.

This beautifully crafted building has exceptional views over the fishing ponds and resort grounds. The high ceilings, white-washed wooden beams and floor to ceiling windows create a soft and open feel. The concertina doors at the top, mean that on a bright day the doors can fold open to let the outside in.

EVENTS SPACE INGLESMALDIE

Inglesmaldie Events Suite can hold up to 120 guests for the wedding breakfast and up to 160 for the evening reception.

Decorated in a blank canvas style, with Harris tweed, a modern Denfind stone-fronted bar, this is the ultimate space for your wedding breakfast and evening reception. The 180' windows at the top of the room let in a wealth of natural light and overlook the resort's beautiful landscaped grounds with a backdrop of the rolling Angus countryside.

Please note chivari chairs are not included in our packages
