Wine List

We aim to offer an interesting and varied selection of wines by the glass.

Below is our current selection,

Sparkling wines and Champagnes are served in 125ml glasses, as are dessert wines.

We start by offering our carefully picked range of House Selections by the glass, which provide a balanced cross section of the full list that follows.

Then follows our full wine list, including the wines from our house selections.

Here we list White Wines, Rosés and Reds; with each we list the classic regions of France, followed by the rest of Europe and then the New World.

If you would like any assistance, please do not hesitate to ask a member of our senior staff.

We have included wine notes on each of the wines giving a brief description of taste and terroir but if you would like to delve into an individual wine, we have full product sheets of each of the wines available.

Grape variety, blend and Abv is listed in brackets next to the wine on the main list.

More than anything else,
we hope that you will experience genuine pleasure from the wines we have chosen.
