TESTIMONIALS

Wedding of Dreams!

Absolutely perfect!! We had the most perfect day (so much so my husband wants to do it again!!) thank you so much to every single staff member - especially Zoe. Not sure if I was quite a bridezilla but I did have lots of questions and anxiety, wanting to ensure the day went as smoothly as possible and all guests were catered for; Zoe was a star. Put up with all of my queries and resolved them so quickly. Thank you for making our day so perfect, and of course putting up with me. P.S that's not even mentioning the delicious food or stunning location OR fabulous rooms!!!

More than a Wedding Venue

HH is a wedding destination rather than a venue, Tracy, Zoe and all the team go above and beyond to ensure that your wedding is the experience you hoped for. The whole team are so welcoming and take the stress out of the planning and the day by being supportive and giving great advice to help things go so smoothly. We couldn't have thanked them all enough for making our day so special. Everything was literally perfect and all our guests were wowed by the stunning location, standard of accommodation and catering.

A Phenomenal Wedding Day

Our wedding day was amazing at Hintlesham Hall! It is so helpful to have so many of your guests able to stay at the hotel and everyone loved their rooms.

The staff are so friendly and professional and helped with planning and providing information. The chef was also great at tailoring the menus for dietary requirements.

So many people said it was the best wedding they had been to and we had an incredible day so would highly recommend for your wedding.

Our Dream Wedding

We celebrated our wedding day at Hintlesham Hall and it was perfect. From booking the date in, Tracy was fantastic in helping us to co-ordinate the suppliers and plans for the day. We used the supplier package, which was a big help to us as they were all amazing. We had the exclusive use of Hintlesham Hall for the wedding day, which we loved. Our guests commented on the notice at the gates, that the Hall was closed and entry was exclusively for our wedding. Most of our guests stayed on the wedding night and the rooms were beautiful and our guests kept telling us how luxurious their rooms were, which was great to hear. All the staff were hardworking and couldn't have done any more, they definitely go above and beyond! Our families and wedding party stayed the night before the wedding and Tracy organised our 10 rooms for 2 nights, so we didn't need to worry about moving our bags. When we arrived, Zoe was already at the reception and offered to help bring all our stuff in from the car and took note of how we wanted the bits for the wedding day, which was followed perfectly on the day. We decided to have a dinner for our families the night before and Tracy co-ordinated one of the function rooms for us and we had a special evening. We also used the spa services and on the morning of the wedding, they arrived early, to do our make up, they were all lovely. The setting is spectacular, definitely a wow moment as you arrive. This continues with the fabulous gardens and grounds. We had our ceremony inside, another even bigger wow moment, it was beautiful. We would highly recommend Hintlesham Hall our wedding was perfect and we look forward to returning!
